# Court of Chancery

Ex parte: Christopher Robert Weast

File no. 4:14-CR-00023-A Special and Private Equitable Action

Private and Special  
Show Cause

Equity acts in personam.

Equity imputes an intention to fulfil an obligation.

Equity looks to the intent rather than the form.

Equity will not suffer a wrong without a remedy.

Equity assists ignorance; but not carelessness.

I AM a private Citizen of the United States, without  
United States, as defined in section 1 of the 14th  
amendment, Legatee to the American Legacy of We  
the People as the Absolute Title holder of the

Absolute Conveyance of the Estate named or known as CHRISTOPHER ROBERT WEAST as the cestui que of said Estate.

I AM non-statutory, non-commercial, non-UCC private Citizen of the United States, without United States and possessing inalienable rights also known as Unalienable Rights.

### Conflicts

I AM a private Citizen of the United States therefore I AM unable to do martial law, at law; and I don't want to be co-mingled with Enemy Belligerents, Enemy Aliens, or Enemys known as Public Enemies. Therefore, the Chancellor or Clerk of the Chancery are required to Show Cause why my private Citizen status should be co-mingled with Enemy Belligerents, Enemy Aliens, and/or Public Enemies in the public domain and failure to Show Cause should cause the at law record of 4:14-CR-00023-A to be sealed and made Special and Private and Restricted from the Public and the Press.

There is no more concurrent jurisdiction unless the Chancellor or Clerk of the Chancery can Show Cause why the at law side should not be extinguished and annihilated through annihilation wherefore there is only exclusive equity jurisdiction, and if there is only exclusive equity, then any letters I write have to be acknowledged under exclusive equity. Failure of the Chancellor or Clerk of the Chancery to Show Cause why I should not receive exclusive equity jurisdiction as a private Citizen of the United States acts as tacit admission of the Chancellor and Clerk of the Chancery that I should receive exclusive equity jurisdiction.

In conclusion, failure of the Chancellor and/or Clerk of the Chancery to Show Cause why my private Citizen status should be co-mingled with Enemy Belligerents, Enemy Aliens, or Public Enemies serves as tacit admission of the Chancellor and the Clerk of the Chancery and therefore the Court is hereby required to make the record of file no. 4:14-CR-00023-A Special and Private and completely Seal the record, excluding both the Public and the Press from said record.

Furthermore, failure of the Chancellor or the Clerk of the Chancery to Show Cause why I should not receive exclusive equity jurisdiction shall stand as tacit admission of both the Chancellor and the Clerk of the Chancery that I should receive exclusive equity as my Rights are only cognizable in a Court of equity.
